

Privacy policy App Store

We do not collect any data from this app.

This app does not contain ads or other communications from third parties.

This app contains links to other websites that apply their own privacy policies for which we are not responsible.

This app is aimed at air passengers to inform them about their rights in case anything does not go to plan before, during and after their journey. The information is based on international treaties and European Union legislation.

We make use of the App Store Connect to track general information about the use of this app, such as downloads, location, and device. The data of the App Store Connect are not traceable to individual users.
